

*Bringing light to your home
and value to your pocketbook.*

Bronze

See the light and reveal the beauty of your home with Prism® by Simonton Bronze windows. Offering traditional style at a budget-conscious price, Bronze windows combine the looked-for features with classic influences to make sure your windows are beautiful, as well as long lasting.

Tilt-in/lift-out sash on Double Hung windows allow both glass surfaces to be cleaned from inside the home.

PRISM
BY SIMONTON

Features

- A Fusion-welded Frame and Sash** Produces a solid unit that resists air and water infiltration.
- B Vent Latch** Allows window to be partially open for ventilation. *(Double Hung only)*
- C Flush-mount Tilt Latches** Tilt latches are recessed and release the tilt-in sash for easy cleaning. *(Double Hung only)*
- D Single Cam Lock** Sturdy cam locks secure the window and provide a smooth interior finish.
- E Overlapping and Interlocking Meeting Rail** The patented overlapping and interlocking meeting rail forms a tight seal where the sash meet.
- F Stainless Steel Constant Force 3/4" Coil Spring Balance System** Helps support sash in any open position and allows the window to be raised and lowered easily. *(Double Hung only)*
- G Contoured Extruded Lift Rail** Molded into the sash for strength and durability.
- H Sloped Sill** The sloped sill drives water down and away from your home.
- I Pivot Alignment System** Maintains perfect alignment between the sash and the frame to ensure proper operation. *(Double Hung only)*

Optional ProSolar™ soft coat Low E glass with an Argon gas fill greatly improves energy efficiency.

Prism® by Simonton Bronze windows can be ordered to meet ENERGY STAR® guidelines in all areas of the country with optional ProSolar™ soft coat Low E glass and an Argon gas fill.
