

LIMITED WARRANTY (WITH GLASS BREAKAGE COVERAGE)

WHAT THIS LIMITED WARRANTY COVERS

Windows and Patio Doors – Soft-Lite warrants that its windows and patio doors will be free from defects in manufacturing or materials. Soft-Lite warrants that the hermetic seals of the insulated glass units will be free from defects in manufacturing or materials that result in a material obstruction of vision as a consequence of film formation caused by dust or condensation on the surfaces inside the sealed insulated glass unit. Soft-Lite warrants that the glass in its windows and patio doors will not break for any reason.

PVC Coatings – Soft-Lite warrants that the PVC coating on the exteriors of its windows and patio doors will not, as a result of natural environmental and atmospheric conditions, peel or blister from the applied surface and will not materially discolor.

WHAT THIS LIMITED WARRANTY DOES NOT COVER

This limited warranty does not cover components or materials used in the installation of windows or patio doors, including, but not limited to, caulking, screws, insulation, and wood finish trim. Soft-Lite makes no representation or warranty with respect to condensation on the outer surfaces of the insulated glass unit. Condensation on the outer surfaces does not indicate a defect and may occur temporarily as a natural result of humidity, excessive moisture, changes in temperature, or improper ventilation.

OTHER LIMITATIONS

This limited warranty is conditioned upon the normal use and care of the windows and/or patio doors and will be void to the extent of any damage caused by misuse, neglect, fire or other casualty, or any other cause beyond the control of Soft-Lite (except that glass breakage is covered by this limited warranty). This limited warranty will be void if the insulated glass unit is altered. Where any wood that forms a part of any window is exposed to the elements (such as with bow, bay, or garden windows), you must seal or otherwise protect such exposed wood within 10 days after installation or this limited warranty will be void. The dealer who sold the windows and/or patio doors covered by this limited warranty must fill in the Soft-Lite invoice number on this limited warranty in order to validate the limited warranty and make it effective. Do not accept any warranty from a dealer without ensuring that the dealer has filled in a valid Soft-Lite invoice number. **CONSEQUENTIAL AND INCIDENTAL DAMAGES ARE NOT RECOVERABLE UNDER THIS WARRANTY.** Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

HOW LONG THIS LIMITED WARRANTY LASTS

This limited warranty begins on the date upon which the windows and/or patio doors are installed. The warranty as it applies to PVC coatings and the hardware on patio doors lasts for 10 years. As to all other parts of windows and patio doors, this warranty lasts for as long as the windows and/or patio doors covered by this limited warranty remain in use at the residential dwelling where, and as, originally installed and the original purchaser of the windows and/or patio doors covered by this limited warranty (or that person's authorized transferee) owns and resides in such residential dwelling. Some states do not allow limitations on how long an implied warranty lasts, so these limitations on the duration of the warranty may not apply to you.

All replacement parts or products will be shipped either to the original selling dealer or directly to the purchaser. You must pay for all shipping of replacement parts or replacement windows and/or patio doors.
